## COLLEGE CALENDAR
### 1935-1936

### First Semester

1935

Sept. 11-16, Opening Program:

Sept. 11, Wednesday, 9:30 a.m.—New students report. Those registered may pay bills.

Sept. 12, Thursday, 8:10 a.m.—Opening chapel service. Registration.

Sept. 13, Friday—First meeting of classes.

Sept. 14, Saturday, 8:00 p.m.—Y. W. C. A. and Y. M. C. A. receptions.

Sept. 16, Monday, 8:00 p.m.—Faculty reception.

Oct. 2, Wednesday, 9:00 a.m.—Fall meeting of the Directors.

Oct. 25, Friday—Founders' and Homecoming Day.

Nov. 28, Thursday—Thanksgiving Day.

Dec. 18, Wednesday, 3:00 p.m.—Christmas holidays begin.

1936

Jan. 2, Thursday, 8:10 a.m.—Class work resumed.

Jan. 28, Tuesday—First semester ends.

### Second Semester

Jan. 30, Thursday—Second semester begins.

Feb. 4, Tuesday—February meetings begin.

Apr. 10, Friday, 4:00 p.m. to Apr. 14, Tuesday, 8:10 a.m.—Spring vacation.

May 4-8, Registration for 1936-1937.

May 28 to June 2, Commencement program:

May 28, Thursday, 8:00 p.m.—Graduation exercises of the Expression Department.

May 29, Friday, 8:00 p.m.—Senior class play.

May 30, Saturday, 8:00 p.m.—Graduation exercises of the Music Department.

May 31, Sunday, 10:30 a.m.—Baccalaureate service.

May 31, Sunday, 7:00 p.m.—Vesper service.

June 1, Monday, Alumni Day—

3:00-5:00 p.m.—President's reception.
7:00 p.m.—Annual Alumni Association Dinner.

June 2, Tuesday, 8:30 a.m.—Spring meeting of the Directors.

June 2, Tuesday, 10:00 a.m.—Commencement.

DR. RALPH WALDO LLOYD
President of Maryville College

## COLLEGE PRESIDENT'S WELCOME

As old and new students take up their residence and work on College Hill, they may be sure of the interest and friendship of every officer and faculty member. We hope and pray that 1935-1936 may be a truly great year.

Coming from many places and backgrounds, you will find yourselves soon bound together by loyalty to your college and her ideals. May this bond bring new enrichment to every Maryville man and woman.

RALPH WALDO LLOYD,
*President of Maryville College.*

## EDITORIAL PREFACE

The Maryville College Y. M. C. A., in collaboration with the Y. M. C. A., presents this book to you. We trust that we present it to those who will learn to love this "Hill" as we love it. It is our hope that this book will find itself in the hands of one who is ready and willing to carry the Maryville traditions.

We know that you are deeply interested in Maryville College and, recalling our pre-college days, we feel that you are wondering what the place is like. In the few brief pages that follow, it is our purpose to give you a glimpse of our campus. This handbook comes to you from students whose love and knowledge regarding Maryville College is unquestioned. You can place full reliance upon the following pages. Take this book and use it. It will help you if you let it be your guide to the campus.

Our campus is your campus. People here want to see you succeed. Take full advantage of your opportunities, but remember that Maryville College is yours to use and not to abuse. We trust that you will be a student worthy of the college you plan to attend. May success and happiness be yours.

THE EDITORIAL STAFF.

# PART I

## GENERAL INTRODUCTION TO MARYVILLE

## GENERAL INTRODUCTION TO MARYVILLE COLLEGE

This general introduction is not to give you a complete description of our College, for not even a whole book could do that. You must experi nce Maryville for yourself and after you have been here for a few months you will be as enthusiastic over it as we are. Maryville has the power of getting into the student's blood and making all of its stud nts ardent advocates of its charm and worth.

Maryville College was founded in 1819 by Isaac Anderson to supply the need for an educated ministry for the Southwest. The school continued with a slow, steady growth until the Civil War, which closed the College for five years. In 1866 the institution was reopened with a vary small enrollment which, however, grew very rapidly. The enrollment in 1900 was about 400, of whom only 80 were of college rank. Last year 859 students, all of them of college rank, were enrolled.

The function of the College has changed with the years to suit the varying needs of the people it served. About ten years ago the preparatory department was discontinued and the College became what it is now, a liberal arts college providing a cultural background. Maryville is on the approv d list of the Association of American Universities and offers to the student who will work an education comparable to any to be obtained anywhere in the country.

The city of Maryville is situated sixte n miles south of Knoxville, Tennessee, and is

the county seat of Blount County. It has an elevation of 1,000 feet and is one of the gateways to the Great Smoky Mountain National Park, the newest of the national parks. The population of Maryville is 5,000, with another 5,000 living in Alcoa, a twin community named for the Aluminum Company of America, which operates a large factory there.

From the campus can be seen the heights of the Smoky, Chilhowee, and Cumberland Mountains, green in Spring and often white with snow in winter. Truly the campus has a beautiful natural surrounding. Make up your mind now to spend some time in the mountains, for many opportunities will be offered to you to do so, sometimes for an overnight hike.

A description of the campus itself is difficult to make. We have over three hundred acres of rolling campus, including an extensive College woods of pine and fir. On the campus proper are many cedars and other evergreens, and in addition hundreds of smaller trees and shrubs which have been set out in the past two years. Included also on the campus is a nine-hole golf course.

Though there are twenty buildings on the campus they do not give the impression of being crowded. The school catalogue gives a summarized account of the principal ones, but do not try to memorize the names or anything like that before coming down. After a few days at Maryville you will have them all straightened out from the Alumni Gym to Willard Memorial and be able to travel around like a veteran.

Maryville still aims to lay a positive emphasis on religion and morals. Students are

required to attend Sunday school and church. Attendance at daily chapel services is also required. While the College is organically related to the Presbyterian Church, U.S.A., it is not sectarian in purpose or program, and students attend the church of their choice. The leading denominations have churches in Maryville.

There are no social fraternities at Maryville and no dancing, as it is not felt that they are necessary or in harmony with the general aims and purposes of the school. There will be plenty of social activity, however, sponsored by the "Y," the Student Council, and various other organizations and clubs. There are four societies, two for men and two for women, each of which presents a short, entertaining program ever Saturday night.

To give an indication of the activities on the Hill we will list some of the clubs. The vocational clubs, mainly for study and fellowship along particular lines, are: Student Volunteers, Ministerial Association, Pre-Medical Club, Law Club, Chemistry-Physics Club, Language Clubs, Spanish, French, and German. There are numerous state clubs composed of students from the same section of the country, a Shakespeare Club, and honor societies for athletics, debate, dramatics and scholarship. Some of these groups are described more fully in later pages of your "M" Book. The ones mentioned here are not all the clubs. There are others which will welcome you to their membership as you qualify and feel inclined to join. Of course, membership in a club is not essential, but it always proves helpful and worthwhile.

A distinct feature of the college is the extent of the country represented by the student body. They come from thirty-two states, as widely separated as Massachusetts, Florida, and California. Last year three foreign countries were represented by members of missionaries' families. Naturally there is a considerable variation in background among these students and contacts with them are among the advantages of Maryville.

A brief word about last year's sports record is pertinent for we are proud of the athletic department. Maryville won the state wrestling championship for the fourth successive year; we won the Smoky Mountain Conference basketball, track, and baseball titles. Come to Maryville prepared to support the teams. They will appreciate your encouragement. Football starts right with the opening of school in September and practically all year there are athletic events.

When you arrive in Knoxville, either in the bus or train station, look for someone with a Maryville tag. Some of the upperclassmen will likely be on hand to direct you over the last lap of your journey. You won't have any difficulty in finding the way over.

Then when you land on the campus, make your way to one of the information desks or tables staffed by members of the Y. W. and Y. M. C. A. Make yourself known to them and they will direct you to your dormitory. Other students will be on hand in the dorms to help you with your baggage and assist you in finding your room. You may be bewildered a little at first, as there

always is some confusion, but it won't take you long to get your bearings.

You will be impressed with the friendly spirit shown at Maryville. There is no hazing or mistreating of the new students. Don't be afraid of asking questions or of borrowing a sheet or towel until your trunk comes. The older students have been through it all before and they are anxious to help you. The new girls will be especially taken care of by their "big sisters" arranged for by the Y. W. C. A. The fellows are not detailed off as "big brothers," but you won't find any lack of assistance.

We do not think it necessary to finish this brief introduction with any general advice or exhortation. You who are coming here even for the first time are college men and women and you can decide things for yourselves. You will likely make mistakes at first, but you will learn in a very short time to make the best adjustments to college life. Come to Maryville prepared to work, to make friends, and, above all, to enjoy yourself.

# PART II

---

## Y. M. C. A.
## and
## Y. W. C. A.

## Y. M. C. A. PRESIDENT'S WELCOME

DEAR FELLOWS:

The "Y" extends to every new student a hearty welcome. We are happy that you will soon be with us at Maryville College. We are interested in you, and we shall do our best to make you feel at home.

Your biggest questions will probably arise during the first few weeks. Please feel free to call upon any "Y" man for help—he will be looking for you. You look for him.

Our program centers around vital everyday problems which we are trying to interpret in the light of Christ's teachings. We are working **to make Christ master of body, mind, and soul**; keeping before us the motto: "For to me to live is Christ."

The Y. M. C. A. officers and cabinet are ready to serve you. Come to the "Y" building at your convenience to talk it over with the fellows.

I am personally interested in each one of you new men; I am hoping that you will enter into the wholesome, Christian atmosphere of Maryville College and of our Y. M. C. A.

Yours sincerely,

ROBERT E. LODWICK,
President Y. M. C. A.

## Y. W. C. A. PRESIDENT'S WELCOME

DEAR PROSPECTIVE MARYVILLIANS:

If you like to play or sing, to make a speech or give a tea, to do social service worker to participate in athletics, or if you just like to be sociable, Y. W. C. A. wants you.

If you like reverent devotional meetings, stimulating discussion groups, inspiring music and literature, or intimate fireside chats, you want Y. W. C. A.

We are glad you are coming and we are planning to make you love Maryville as we do. We have enough faith in the merits of our college to say that our task won't be difficult.

We will be on hand when you get here—Big Sisters, Nu Gamma Leaders, and plenty of real friends. Then the fun will begin.

Sincerely yours,

ELIZABETH KUNKEL,
President Y. W. C. A.

## Y. M. C. A. ACTIVITY

"For me to live is Christ." The Y. M. C. A. is alive. It seeks to serve the students in every way possible to help them to positive living. The cabinet is made up of representative and congenial Maryville fellows who will help you in any way they can.

The "Y" places proper emphasis upon interclass athletics for those who can not participate in varsity competition. Football, tennis, swimming, basketball, track, wrestling, handball, and hiking are included in the athletic program.

At the "Y" reading and game rooms in Bartlett Hall you will find a good radio and current magazines for your entertainment. Games provided to try your skill and to amuse you are checkers, chess, ping-pong, and pool. These rooms are maintained to make your college life happier; be sure to take advantage of the opportunities offered there.

For you new men to get acquainted and to discover your talents and abilities, a fellowship club is organized by the "Y" soon after the beginning of the school year. All new men are urged to become active members of this group.

The Sunday afternoon meetings in Bartlett Hall are for all the fellows on the hill. The programs are vital, short, and interesting. Special music, helpful discussions, and prominent speakers make these weekly meetings of value to every student. Most of the "Y" members have an opportunity to participate at some time during the year.

The "Y" does offer many opportunities for you. Get in the habit of taking part in its activities.

## Y. W. C. A. ACTIVITY

Maryville's Y. W. C. A. has, for forty-seven years, purposed to help girls find satisfaction and peace in Christian living. Contributing directly to this aim are the programs of Sunday afternoon worship services, Nu Gamma Sigma groups, Big Sister movements, and participation in the East Tennessee Interracial Commission.

The program of Y. W. C. A. also includes expressive activities such as semi-annual tennis tournaments, production of the May Day pageant, and a part in bringing Lyceum artists to the campus. For those interested in social work there are opportunities to help in the mission chapels and in the orphanage.

The organization maintains contacts with wider groups by sending delegates to the State Student Conference and the Blue Ridge Conference for Southern Colleges and Universities. It is also affiliated with the World Student Christian Association.

## JOINT ACTIVITIES

### Joint Devotional Meetings

Usually the devotional meetings of the Y. M. C. A. and the Y. W. C. A. on Sunday afternoons are held separately, but at various times joint meetings are held, in the conduct of which both organizations cooperate. The programs of these joint meetings are of a special character, and are very worthwhile.

### Fred Hope Drives

This drive is not carried on by the "Y's", but is carried on by all the students of the school and we thought best to bring this to your attention. Fred Hope was a student at Maryville some years ago, but now he is in Africa, and each year a volunteer offering is taken up by the school for Fred Hope and his work.

### Blue Ridge Conferences

Each spring, following commencement, a conference of Southern college Y. M. C. A.'s and Y. W. C. A.'s is held at Blue Ridge, North Carolina. The two organizations on College Hill regularly send delegates to these conferences.

### The Artist Series

The Artist Series, sponsored jointly by the Y. M. C. A. and Y. W. C. A., consists of about four numbers each year, including musical, literary, or other cultural entertainment. You will want to attend these programs, for you pay for them in with your student activities fund, and they are of great interest here at Maryville.

### Circuses

Once a year the alumni gymnasium is the scene of a tremendous circus, put on jointly by the Y. M. C. A. and the Y. W. C. A. It's fun, and we are sure you will want to be in the circus or at least see it.

## NU GAMMA CHAIRMAN'S WELCOME

GREETINGS, NEW GIRLS!

Nu Gamma Sigma is that part of Y. W. C. A. designed to help you get acquainted with Maryville College and its students. As soon as you are registered your name is given to one of the Nu Gamma leaders and you become a part of her group. If you have registered early enough you will receive a letter from this leader during the summer and if you have any questions or desire any information, feel free to ask her. If you have not registered early enough to receive a letter during the summer you will be placed in a Nu Gamma group as soon as you arrive. Through these groups, which meet weekly for a month at the first of school, we hope you will learn to know Maryville, its traditions and ideals, and your contemporary, old and new students. The purpose of Nu Gamma is to give you a chance to know what to expect of Maryville and what Maryville expects of you and to make a definite place here for you at once.

Consider this a personal note for each of you and feel that you already know me, and you will soon know your Nu Gamma leader. If you know two people here, you can no longer be a stranger. We two who know you and are known by you want to help you feel at home and introduce you to our other friends.

All of Maryville is greeting you, but we want you to feel a very special welcome from Y. W. C. A. in general and Nu Gamma in particular.

Sincerely,

MARY GLADYS BROWN,
Nu Gamma Sigma Chairman.

# PART III

## GENERAL STUDENT ACTIVITY

# General Student Activity

On the Maryville College campus there are enough organized activities to capture the interest and utilize the ability of every student. To some of these organizations you may belong by merely expressing the desire. Some, however, are run on a selective membership basis, and in still others, such as the honorary fraternities, membership is a distinction that comparatively few attain.

### Student Council

The Student Council is composed of eight seniors, six juniors, four sophomores, and four freshmen. This body is not student government, but it represents student opinion and works with the faculty in promoting desirable movements. The members are elected by their classes as representing student sentiment. From the Council two committees are chosen, the Student-Faculty Committee and the Highland Echo Committee.

## NATIONAL HONORARY FRATERNITIES

### Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of the national honorary fraternity Pi Kappa Delta. In the spring of 1935, representatives won first place in both men's and women's debate at the South Atlantic Convention.

### Theta Alpha Phi

Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national honorary dramatic fraternity Theta Alpha Phi, located at Maryville.

### Sigma Alpha Psi

The Maryville chapter of Sigma Alpha Psi was established in 1930. Membership is open to all men of the college "who maintain satisfactory scholarship and command the respect of their associates as athletes and gentlemen." Membership is earned by meeting the requirements of the various athletic tests in the presence of a responsible committee. The object of the society is the encouragement of the moral, physical, and mental development and training among college students.

### Local Honorary Fraternity

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are equal to those of Phi Beta Kappa. Ten per cent of the graduating class may be admitted provided the members have a grade point ratio of 6.5, or somewhat more than a "B" average.

## LITERARY SOCIETIES

There are on the Hill two sets of literary societies. Each set consists of a society for boys and one for girls that are known as brother and sister societies. Theta Epsilon

and Bainonian are the sister societies, respectively, of Alpha Sigma and Athenian.

All four societies hold regular meetings every Saturday night. Each has its respective hall. The meetings held here consist of short business meetings followed by programs of varied sorts in which members of the society are expected to take part when called upon, in advance, by the program secretaries. Once a semester each set of societies holds a joint meeting in which boys and girls co-operate on matters of program, decorations, and refreshments.

At the beginning of the year the women's societies sponsor rush weeks to introduce new girls to the members of each society. At the end of the two weeks taken by the rush program new girls are given the opportunity to join either of the societies. Both groups are glad to receive new members, and there is a friendly rivalry as to which one can attract the larger number.

Men make their choices as to society membership by visiting regular meetings of each.

There is another form of rivalry among the societies besides that of membership. Each society presents a play during the winter known as its mid-winter. A committee of judges gives a decision as to the relatives merits of the plays, and the society presenting the best play is awarded a silver cup. The society receiving the cup three years in succession is the permanent owner of it. For the past two years Theta Epsilon has received the cup.

We sincerely hope that each new student will find a place truly his in one of the organizations. Choose the one in which you feel you will be happiest after you have carefully considered each. Each society sends a hearty greeting to every new student.

## MUSICAL ORGANIZATIONS

The five musical organizations on the campus provide an opportunity to develop musical talent. Three of the organizations are choral and two instrumental.

The three choral organizations are the vesper choir, the Maryville Glee Singers and the Women's Glee Club. The Vesper Choir is composed of forty mixed voices chosen through try-outs by the choir director. In robes and surplices it serves at the Sunday evening services, and on week days without the robes leads the daily chapel singing.

The Maryville Glee Singers is a male chorus of eighteen or twenty voices. This chorus gives at least one concert every year. The Women's Glee Club is a similar organization for women.

The combined choral organizations went to Cincinnati, Ohio, on May 21-24, 1935, and sang at the Presbyterian General Assembly.

The two instrumental organizations are the band and orchestra. The orchestra has a concert every year and plays at many other functions.

## RELIGIOUS ORGANIZATIONS

Besides Y. M. C. A. and Y. W. C. A. there are three other outstanding religious activities. The Ministerial Association and Student Volunteer Band are organizations for those interested in the ministry and missions respectively. The ministerial group holds weekly meetings, but its most important activity is that embodied in four standing committees which conduct regular preach-

ing and pastoral work in the county prison, the county almshouse, the McGhee Street Chapel, and the country churches in the vicinity of Maryville.

The Student Volunteer group is composed not only of those who have pledged themselves to the foreign field, but of those who are interested in this form of Christian work. Regular meetings of the group are held Sunday evenings after vespers. Some phase of missionary work is considered, and frequently missionaries on furlough provide valuable and inspiring first hand material.

Another religious activity is the annual series of February meetings. The first series was held in 1877, and they have been held every year since. The object of the February meetings is a deepening of the spiritual life on the campus and a strengthening of the spiritual attitude conducive to greater seriousness of thought and action. The speaker for the meetings is a prominent religious leader of the day, chosen long beforehand with the purpose of the meetings as the objective in selection.

## CLUBS

### Writers' Workshop

Students who show interest and ability in literary work may be elected to the Writers' Workshop. The members are elected from the faculty and the junior and senior classes. Each member writes and reads aloud for criticism one paper a semester.

### "M" Club

The "M" Club membership is restricted to those girls who have earned the college letter by participation in athletic activity and the keeping of health rules.

### Pi Upsilon

The Hi-Trail Club is a hiking club limited to twelve men. Its activities include hikes to nearby mountains several times each semester.

### Home Economics Club

Home Ec majors have formed a club as the medium for the performance of practical projects in their various fields of interest.

### Chemistry-Physics Club

In this club students interested in the two sciences composing its name meet to perform experiments in these fields.

### Nature Club

The Nature Club is for those interested in botany, zoology, and related sciences. To be admitted you are required to take a test on general scientific knowledge. The club has carried out two outstanding projects in the past two years: (1) the tagging of the trees on the campus with their common and botanical names and (2) the beginning of a botanical garden in the college woods. At its weekly meetings students or faculty members give talks on subjects in the field of natural science.

### Pre-Medical Club

This club is composed of those whose major interest lies in the practice of the medical profession, and aims to create a better understanding of the problems and interests of this field today.

## Language Clubs

For students interested in modern languages. there is opportunity to gain confidence in the use of the tongue. to increase your knowledge of foreign customs, and to have a lot of fun in the French, German, and Spanish clubs.

## State Clubs

Wherever you come from there is almost sure to be someone else from there too. with whom you can form an organization named after your part of the country. There is a club for nearly every state represented by the student body. The purpose of the clubs is purely social.

## Publications

There are two student publications, the weekly "Highland Echo" and the annual "Chilhowean." The "Highland Echo" is a newspaper, reporting campus news. Twelve freshman apprentices are chosen by examination of samples of their writing called for by th ir English teachers.

# SCHEDULE OF CLASSES, 1935-1936

## First Semester

| | Mon. | Tues. | Wed. | Thurs. | Fri. | Sat. |
|---|---|---|---|---|---|---|
| 8:30- 9:25 | | | | | | |
| 9:25-10:20 | | | | | | |
| 10:20-11:15 | | | | | | |
| 11:15-12:10 | | | | | | |
| 1:10- 2:05 | | | | | | |
| 2:05- 3:00 | | | | | | |

## BELL SCHEDULE

| | |
|---|---|
| 6:00 A.M. | Rising Bell. |
| 6:56 A.M. | Breakfast Bell. |
| 7:50 A.M. | First Chapel Bell. |
| 8:05 A.M. | Second Chapel Bell. |

| 9:25 A.M. | Second Hour Class. |
| 10:20 A.M. | Third Hour Class. |
| 11:15 A.M. | Fourth Hour Class. |
| 12:10 P.M. | Fourth Class Dismissal. |
| 12:17 P.M. | Dinner. |
| 1:10 P.M. | Fifth Hour Class. |
| 2:05 P.M. | Sixth Hour Class. |
| 3:00 P.M. | Class Dismissal. |
| 5:55 P.M. | Supper. |
| 6:45 P.M. | First Study Bell. |
| 7:00 P.M. | Second Study Bell. |

**Extra Sunday bells are scheduled as follows:**

| | |
|---|---|
| 1:00 P.M. | For Y. M. C. A. and Y. W. C. A. Meetings. |
| 6:45 P.M. | First Vesper Bell. |
| 6:55 P.M. | Second Vesper Bell. |
| 7:00 P.M. | Third Vesper Bell. |

# PART IV

## ATHLETICS

## MARYVILLE ATHLETIC POLICY

In this modern day of education, in which the nature of curricula demands confinement and concentration on the part of the student, athletics, when sanely administered, become a vital part of wholesome living. Maryville, we are proud to say, is well accoutered in this respect, for her athletic policies embody both varsity and intramural sports.

A member of the Smoky Mountain Athletic Conference, composed of nine smaller colleges and universities in East Tennessee and Western North Carolina, Maryville enjoys the prestige of being the largest college within the conference. But her directors are not content to sit by and enjoy that chance distinction. Instead, the close of every college year finds Maryville at the top of the conference in some sport or another. During the past year, under the excellent direction of Coaches Honaker and Thrower and Assistant Coach Boretsky, Maryville teams swept through five championships within the conference and the state of Tennessee. Among these were three—track, baseball, and basketball—within the Smoky League, the other two being state championships in baseball and wrestling. Coach Bob Thrower's championship grapplers this year suffered their first defeat in five years, winning the title regardless. These are only a few of the sporting honors which Maryville team heap upon themselves every year. More to be considered here is the brand of good sportsmanship by which Maryville College is known both far and near.

As is the practice in many colleges Maryville does not buy her sportsmen. In fact,

so firmly has that glamorous old tradition of athletic glory been implanted in the hearts of Maryvillians that her varsity men frown readily upon the idea of receiving money for their services. Thus it becomes more of an honor for the student to win a place on the team, for since he cannot be bought he must prove himself worthy scholastically, and, of course, physically.

The men's athletic program is under the capable direction of Coach Lombe S. Honaker and Coach Bob Thrower, two men who have given long service to the college and who have kept in contact with all late developments in the technique of coaching. You will find that these coaches are at once genial, just, understanding, and efficient men, always ready to help YOU develop YOUR athletic potential to team calibre.

Maryville teams often play much larger colleges and universities, for it is felt that valuable experience can be gathered here. In these contacts it never fails to become evident that the Maryville spirit is a strong one to be reckoned with, and that everywhere her teams have gone they have impressed onlookers with their fight.

It may be that you are not prepared to take part in any athletic events. Be that as it may, come with at least the idea to support her teams with that loyalty which they deserve. Upon your shoulders will rest the continuity of the Maryville program, that of a broad athletic value in a Christian College whose aim is to build character.

## VARSITY SPORTS

### Football

Your spine tingles and your heartbeat quickens when, under the bright power lamps, the timekeeper's shrill whistle streams out across the cool night air of Wilson Field, for then the football season, the biggest season in Maryville sportdom, has opened. With the donning of the moleskins competition commences in all pigskin camps around the conference, and often waxes hot before the season ends.

Intense training starts about two weeks before the opening of the college year, so if you are planning to come out, make up your mind to report as early as possible for practice. Every year finds a squad of nearly fifty men working hard for those coveted eleven positions on the varsity. With Coach Honaker as head coach and Coach Bob Thrower assistant, there is plenty of hard work to be done prior to varsity consideration, but this does not mean that they will forsake you, if you make on the scrub team, for the varsity interests. As good coaches always are, they are interested in you and what you can do, whether now or next year.

As has been mentioned before, Maryville competes in the Smoky Mountain Athletic Conference, in which her men and coaches command respect for their consistently good sportsmanship.

Let's go, men—out for practice the first week and show us what you have. There is a place open on the varsity for you. Are you going to fill it?

### Basketball

For the past few years, in fact, ever since basketball became organized within the conference, Maryville handlers of the sphere

have hovered around the top of the honor list. Only this last year the Scotties, as they are known collectively, smashed conference routine to march through a thirteen-game conference schedule undefeated. The sport comes under the guidance of Coach Honaker, who wastes neither time nor energy in producing the most polished machine possible. Practice begins along near the end of the football season and together with the usual long schedule draws the season well on into March before bringing it to a close.

If you have the stuff and feel that you can show it, then you're the man Coach Honaker wants, for conference rivalry is hot and wearying. And don't forget, he wants your good sportsmanship as well as your body.

## Baseball

It is said by many people in many pertinent circles that Coach Honaker is one of the best baseball coaches in the South, and true it is that he has sent his share, yea, more than his share, of good men up the long trail to big league baseball. So strong are his teams that it becomes hot news around the conference when another team happens to cinch the crown over the Highlanders.

Prospects begin to gather around the diamond about the first of March for pre-season limbering tactics, the ole sport talk begins to burble down in the village, and everybody knows that Coach is about to begin another march to conference supremacy. A long schedule is played, many trips are taken, and everybody is amply repaid in good times for energy expended.

If you can play baseball, Coach Honaker wants you, for he must build into his championship structures the very soundest material he can find.

## Track and Field

The college records in track and field events which you will find listed a bit farther on are challenges to you to come out and show Coach Thrower what you can do. One look at Coach Bob and you will understand why he is so well liked by his men, why he builds every year conference champions, and why he still holds the college record for the shot put. One thing is certain; he never asks a man to do on the track or field what he cannot do himself.

Track practice gets under way about the middle of March and holds sway until the first week or two in May. The schedule calls for six or more meets, among which is the state track and field meet and the Smoky Mountain Conference meet, which was held at Maryville last year, and which will be held at Lincoln Memorial University this year.

Coach Thrower offers a great many departments in which you may be able to display skill. We'll be watching for you.

## MINOR VARSITY SPORTS

### Cross-Country

Each year for the last five years we have been hoping to have a cross-country team. but have always been unable for the simple reason that we can find no competition! But we have reasonable proof to believe that Tennessee is going to have one next year and wants to run against us, and of course we will have a team. Be that as it may, we always have a good cross-country race one a year for the school championship. This race is run during one of the home football games and has enjoyed a great deal of interest. A large cup is given to the winner by the Y. M. C. A. This race is five miles long and the record is 27 min., 26.8 sec. Can you beat that? Whether you can or not, let's see you out for the cross-country this fall.

### Wrestling

No sport has more favor with the students and town people than does wrestling. Coach Thrower always has a winning team. In fact. he hasn't lost a match since he took over the sport four years ago. This season there were eight matches and of course Maryville took all eight. even going to far as to beat Vanderbilt 40 to 0 and the University of Tennessee 35 to 5. There is always room on the wrestling team for you. There are eight different weights, and you sure can fit in there somewhere. Let's see you out when Coach Thrower gives the first wrestling call.

### Tennis and Swimming

Coach Fischbach handles these two sports and does a very fine job of it. He has winning teams, many trips are taken, and you can't help liking to work under this coach. Maryville has made a very good showing in both tennis and swimming during the last season. so if you can wield the racquet or paddle the water, let's see you out.

## INTERCLASS SPORTS

Here's where you fellows shine who can't quite make the varsity, yet have a little ability in any one of the lines of sports. The Y. M. C. A. conducts interclass competition in everything from checkers to football. Each sport counts so many points, and the class which gets the most points for the entire year gets a cup. You have no fear of varsity competition in these sports, for all "letter" men and men on the present squads are ruled out of the events, and it is left entirely up to those who do not go out for varsity competition.

## LETTERS AND MONOGRAMS

### Designs

Football: Garnet sweater bearing garnet letter "M" 8 inches by 8 inches.

Basketball: Garnet sweater bearing garnet letter "M" 6 inches by 6 inches.

Baseball: Garnet sweater bearing garnet letter "M" 7 inches by 7 inches.

Track: Garnet sweater bearing garnet letter "M" with wings, 5-inch block.

Wrestling: Letter "M", 5 inches by 5 inches.

Tennis: Letter "M", 5 inches by 5 inches.

Swimming: Letter "M", 5 inches by 5 inches.

The letter for women's athletics is more decorative in form and the monogram consists of an "M" and a "C" superimposed upon each other.

## THE WEARING OF MARYVILLE LETTERS

Maryville letters and sweaters are to be worn only by those who have won them in the various sports. Those winning letters will be so designated by the coaches. Any violation of this rule is frowned upon by students and faculty. Any good Maryville student who is loyal to the school would never wear a letter unless he or she has earned it.

Any letter or monogram from any other school, be it high school or college, can not be worn while you are at Maryville. Several times this rule has been violated, especially by the women students. Maryville has no way of enforcing this ruling but by the will of the students. We hope your loyalty to Maryville will not allow you to break this rule. So leave all your high school letters at home and come to college with the idea of having a Maryville "M" on your sweater in the near future. Anyone is proud to wear a Maryville "M".

## WOMEN'S ATHLETICS

### Point System of Athletic Awards

Since the intercollegiate contests have been dispensed with the point system has been adopted. This gives every girl an equal chance to participate in every sport and a chance to win the coveted monogram, the small letter or the large letter and sweater.

The honors are awarded as follows: 300 points, Maryville Monogram "M.C."; 400 points, small letter "M"; 500 points, letter and sweater.

Points shall be earned as follows:

A. Teams. 50 points each team.

Class Teams—

1. Basketball ..... 6 players team
2. Soccer ..... 11 players team
3. Volleyball ..... 9 players team
4. Baseball ..... 9 players team
5. Tennis ..... 6 players team

Squad of any sport, 20 points.
Manager of any team sport, 20 points.
Captain of any team sport, 15 points.
Perfect attendance, 10 points.

B. Tests.

1. Swimming: Limit, 50 points.
2. Stunts: Limit, 25 points.
3. Archery: Limit, 50 points.
4. Track: Limit, 50 points.
5. Hiking: Limit, 50 points.

C. Scholarship.

1. An "A" average in academic work for any semester, 20% of points won in addition.
2. A "B" average adds 10% of points won.

D. Health.

1. Observing health rules for one semester, 25 points. Two semesters, 50 points,

# PART V

## SONGS, COLORS, YELLS

## COLLEGE SONGS

### The Alma Mater

I.

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble. grand, and true.

II.

As thy hilltop crowned with cedars,
Ever green appears;
So thy memory fresh shall linger
Through life's smiles and tears.

III.

Lift the chorus. wake the echoes,
Make the welkin ring!
Hail the queen of all the highland!
Loud her praises sing.

Chorus after each stanza:

Orange, garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater!
Hail to Maryville.

Note.—An erect standing position and an uncovered head are prerequisite to a respectful attitude toward the Alma Mater at a time when it is being played or sung.

## Dear Old Maryville

I.

Near Chilhowee's mountain blue, Stands our Alma Mater true.
Dear old Maryville, to thee we lift our song.
'Neath thy cedar grove so fair, We shall breathe the mountain air.
While with merry hearts the chorus we prolong.

II.

As the morning sunbeam's light Greets thee o'er Chilhowee's height.
So our tribune, We as freely to thee bring.
Youth's true homage full and free, We thus gladly render thee,
Dear old Maryville, thy praise we freely sing.

III.

To thee, guardian of our youth, Faithful guide to light and truth,
We, thy children, bring our songs of grateful praise.
And when we shall leave thy hill, We shall ne'er forget thee still,
Dear old Maryville, the scene of happy days.

Chorus after each stanza:

Sing we a song of our dear college home,
Fondly we love thee still,
And wherever we may be, Fond mem'ry turns to thee.
Our Alma Mater, dear old Maryville.

### The Old Pep Song

We've got the rep, rep, rep, of old Maryville!
We've got the pep, pep, pep, of old College Hill!
We've got the strength to knock 'em stiff
And never know the diff,
For we're from Maryville of Tennessee.

### The New Pep Song

Here we go! Here we go!
Down the field to crush the foe,
As the Scotties go marching along.
Men of might! Men of fight!
Orange, garnet, waving bright
While we make the Hill merry with song
Then it's hi, hi, hi,
We'll win this game or die.
Highlanders! Fight to the end.
Rah! Rah!
And we won't be done
Until the victory's won
For the pride of our hearts—Maryville!

### College Colors

Orange and Garnet

### College Nickname

Highlanders or Scotties

## COLLEGE YELLS

### The Howee—How

Howee-how! Chilhowee!
Maryville, Maryville, Tennessee!
Hoo-rah! Hoo-rah!
Maryville. Maryville,
Rah, rah, rah!

Howee-how! Chilhowee!
Maryville, Maryville. Tennessee!
Hoo-rah! Hoo-rah!
Maryville. Maryville,
Rah, rah, rah!

### The Old Fight Yell

Yea, team!
Fight! Fight! Fight!
Yea, team!
Fight! Fight! Fight!
Yea, team!
Fight! Fight! Fight!
Yea!! FIGHT!!!

### The M-a-r-y—ville

M-a-r-y—ville!
M-a-r-y—ville!
M-a-r-y—ville!
Maryville! Maryville! Maryville!

### The Old Chant

Ma—ry—ville; Ma—ry—ville;
You—don't—know—Ma—ry—ville;
You—can't—beat—Ma—ry—ville.
MARYVILLE!!!

# ATHLETIC NOTES

# Maryville College

## MARYVILLE, TENNESSEE

Maryville College is one of the important church-related institutions of America, and seeks to be true to the noblest traditions of the association of education and religion.

It is a liberal arts college with the purpose of providing a liberal education. It is not a professional or pre-professional school, although its courses form sound foundational preparation for professional study.

It desires to select its students on the basis of preparation, earnestness, capacity, character, and co-operativeness.

## BAINONIAN

Welcome, new girls, to our campus. Bainonian wishes to congratulate you on your choice of a college. We are interested in you and it is our desire to make you feel perfectly at home on our campus. We extend to you a cordial invitation to enjoy the friendship of our society.
